Straight Fit

This is a very loose traditional fitting shirt, it is suitable for all body shapes and benefits from having all collar types available.

Semi Fit

This is tighter than the Straight fit but looser than the Pro fit and benefits from having all collar types available.

Pro Fit

Tight fitting and only available with round collar this shirt is made from stretchy material, we recommend measuring your chest prior to ordering.

Pro Fit Extreme

Very tight fitting and only available with pro collar (as shown) this shirt is made from stretchy material, we recommend measuring your chest prior to ordering. Available in sizes 34" to 50" only.

Touch Rugby Fit

This is based on our Semi fit (see above) with the sleeves removed and benefits from having all collar types available.

Vest Fit

Close fitting and made from lighter weight material than our standard rugby shirts with black or white collar/sleeve binding.
